The easy way to seal valve connectors and flanges.

Leaking chemicals pose a serious danger to people and the environment. Vetter leak sealing pastes are ideal when immediate action is needed to seal leaks. For the smallest valve connectors and flanges or for receptacles such as tanks, barrels and containers, Vetter leak sealing pastes seal leaks quickly and easily. You avoid further leakage and win valuable time for proper disposal or removal of hazardous materials by specialists.
Leak sealing paste

All-round product for immediate sealing of liquid chemical leaks. This paste is ideal for quick and easy elimination of leaks even in hard-to-access places.

Leak sealing paste is also available as set of 8 tubs á 500 ml (0.2 cu. ft.)

Art. No.: 1500004600
